

School of Civil Engineering, AUT - Exams schedule for the period of September 2021

		1st Semester	2nd Semester	3rd Semester	4th Semester	5th Semester	6th Semester	7th Semester	8th Semester	9th Semester
Monday	6/9			Geodesy I (a)		Structural Analysis of Statically Indeterminate Structures (e)		Construction Management (m)		
Tuesday	7/9		Strength of Materials & Structural Elements I (e)		Hydraulics (a)		Reinforced Concrete I (m)			
Wednesday	8/9	Mathematics I (m)							8.4 (a)	9.10 (e)
Thursday	9/9			Engineering Geology I (e)		Soil Mechanics I (a)		7.1 (m)		
Friday	10/9		Applied Informatics for Civil Engineering (e)				Environmental Engineering (m)		8.1 (a)	9.8 (e)
Saturday	11/9									
Sunday	12/9									
Monday	13/9						Soil Mechanics II (m)		8.6 (a)	9.6 (e)
Tuesday	14/9	Construction Materials I (m)		Fluid Mechanics (a)		Building construction II (e)				
Wednesday	15/9							Reinforced Concrete II (m)	Project Management (a)	9.3 (e)
Thursday	16/9		Construction Materials II (e)		Structural Analysis I (a)		Metal Structures I (m)			
Friday	17/9	Technical Drawing (m)							8.2 (a)	9.7 (e)
Saturday	18/9									
Sunday	19/9									
Monday	20/9		Urban & Regional Planning and Development (e)		Building construction I (m)				Foundations- Retaining walls & Geotechnical Structures (a)	9.5 (e)
Tuesday	21/9			Numerical Analysis (a)			Road Engineering I (e)	Transportation Planning (m)		
Wednesday	22/9	Engineering Mechanics I (m)							8.5 (a)	9.4 (e)
Thursday	23/9			Mathematics III (a)		Groundwater Hydraulics & Hydrology (e)		7.2 (m)		
Friday	24/9				Geodesy II (a)		Dynamics of Structures I (m)		8.7 (a)	9.1 (e)
Saturday	25/9									
Sunday	26/9									
Monday	27/9							Metal Structures II (m)	8.3 (a)	9.2 (e)
Tuesday	28/9	Statistics (m)			Transportation Engineering (a)	Water Supply, Sewerage (e)				
Wednesday	29/9			Strength of Materials & Structural Elements II (m)					Reinforced Concrete III (a)	9.9 (e)
Thursday	30/9		Mathematics II (e)			Road Engineering I (a)		Coastal and Harbour Engineering (m)		
Friday	1/10									
Saturday	2/10									
Sunday	3/10									

(m): 10:30-13:15 (a): 14:30-17:15 (e): 18:30-21:15
